CHANGE OF PARKING		
OUTDOOR SEATING		

Temporary Parking, Signage and Outdoor Seating/tables must meet all separation requirements set forth in Broward County. This approval does not allow the restaurant at any time to exceed the max allowed occupancy load set forth in the FBC. By signing this application the business owners agree to provide the following Fire Department requirements while utilizing this temporary outdoor seating permit:

- Provide barriers (if necessary) to protect patrons from vehicles
- Provide egress from within and outside the restaurant are not blocked by outside seating
- No tripping hazards allowed in the means of egress
- No blocking of Fire Department Access, Fire Hydrants, FDC's and Backflow Preventors
- Any tents (with sides) greater than 10 x 10 or 100 sq. ft., or canopies (without sides) larger than 15 x 15 or 225 sq. ft. will require a building permit

This permit is valid until August 15, 2020 however the City may extend based on additional Emergency Orders that may be issued. If you have any questions, please contact the Community Development Department, Zoning Division at (954) 924-6805 Ext 3793.
