1. GENERAL

The following instructions are given as guidance to Proposers in properly preparing their Proposals to this Request for Qualifications for Consultant Services that are to be provided to the City of Dania Beach, Florida (the “City”).

2. SCOPE OF SERVICES

The scope of services is a general guide to the work the City expects to be performed by the CMAR and is not a complete listing of all services that may be required or desired. The CMAR services include, but are not limited to:

- Working with professional design team during the design stages. CMAR will be tasked to review plans at 30%, 60%, 90% and 100% to ensure constructability, adequacy of materials and pricing, preparation of project schedules, conducting feasibility analyses, assisting with site plans and/or design alternative and recommendations, and preliminary cost estimates leading to a Guaranteed Maximum Price (GMP). CMAR shall help identify any design restrictions that could affect the overall design and intent of the project.
- Preparation of a detailed cost estimate at the 30%, 60% and 90% design phase intervals to confirm initial budget allocations and/or to seek City’s advice before proceeding with next level and final designs phases. The CMAR will be responsible for cost controls throughout the design and construction project except for design and construction elements added or deleted by an expressed City directive.
- CMAR shall participate in presentations to elected officials, advisory boards, staff, and the public.
- CMAR shall work with design team members to prepare all required bidding and construction documents for final permitting.

A. TASKS/DELIVERABLES

Firms will provide plans at various intervals for City staff review. Due to the requirement that the Contractor(s) be readily available for meetings, discussions, and tours within the affected areas of responsibility, it will be necessary for any Qualifier to have an office physically located within the tri-county areas of Miami-Dade, Broward, or Palm Beach County. This office must be an active facility from which services are routinely provided and not solely a post office box or other type of mail drop, nor can it be the office of simply a representative agent. The City reserves the right to inspect any facility designated by the Qualifier to ensure that it complies with this section. Should the City be unable to identify qualified providers within the tri-county area, the City may at its sole discretion elect to negotiate with firms that are not based out of Miami-Dade, Broward or Palm Beach County, or re-advertise this solicitation and seek a new pool of applicants.

Upon successful competitive negotiations with the selected CMAR Firm(s), an agreement shall be prepared reflecting the agreed upon direct costs and unit prices and outlining the duties of the CMAR described therein. Thereafter, the CMAR shall be required to compile and submit a proposal with a GMP (GMP may include agreed upon contingencies and allowances) and a separate guaranteed completion date for each grouping of substantially similar construction, rehabilitation, or renovation activities as defined by the City, but shall not commence construction on any project until receipt of a Notice to Proceed (NTP) approved by the City based on the GMP and completion date.

B. PROJECT LOCATION

The City of Dania Beach adopted a Parks Master Plan in 2019. The first project of this master plan is the new construction of CW Thomas Park located at 100 NW 8th Avenue.
