Notice of Intended Sole Source

The City of Dania Beach is issuing this public notice of intent to conduct a sole source purchase for commodities described below. Respondents who or which believe they can meet or exceed the requirements described must provide convincing technical data sufficient to support their position. In the event respondents can supply substantially similar products the City may elect to cancel this Notice of Intent and advertise a formal solicitation.

Posting date: Monday, June 27, 2022

Due date: Friday, July 15, 2022 at 5:00pm

General Information

Commodity: OEM Parts: BECSys5 Chemical Controller and Yaskawa Precision Control

Intended Single Source: Commercial Energy Specialists, Inc.

Justification: Commercial Energy Specialists, Inc. is these suppliers only authorized provider serving the recreational and entertainment water industry. Purchasing OEM replacement parts is essential to the function and longevity of equipment.

Response: If your firm believes they have the ability to supply the item(s) above, please contact the City of Dania Beach Procurement Department at procurement@daniabeachfl.gov.

February 11, 2022

To whom it may concern,

Please be advised that Commercial Energy Specialists, Inc., 952 Jupiter Park Lane, Jupiter, FL 33458 is BECS Technology, Inc.'s sole source for sales, service and warranty administration, in the Florida and Caribbean region. This relationship for support of the BECSys Controller line and related products has been in effect since September 1, 2005.

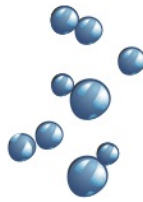

We have chosen CES because of their expertise in all commercial pool markets, and feel they are the best company to represent BECS and our products. If you have any further questions regarding this matter please feel free to call.

Best regards,

Brett D Steinbrueck

Brett D. Steinbrueck
President
