*Commissioner Lori Lewellen appointed to
Transportation & Intergovernmental Relations Committee*

The Florida League of Cities, the united voice for Florida's municipal governments, announced that Dania Beach Commissioner Lori Lewellen was recently appointed to serve on the Florida League of Cities 2022-2023 Transportation & Intergovernmental Relations Committee, one of the League's five Legislative Policy Committees.

Legislative Policy Committee chairs, vice chairs, and members were appointed by Florida League of Cities President Jolien Caraballo, Vice Mayor of the City of Port St. Lucie.

As a Legislative Policy Committee Member, Commissioner Lewellen will help develop the League's Legislative Action Agenda, which details priority issues that are most likely to affect daily municipal governance and local decision-making during the upcoming legislative session, as well as help League staff understand the real-world implications of proposed legislation. Committee members are also asked to serve as advocates for local decision-making throughout the legislative process.
