3. Presentations and Special Event Approvals

3.1 Sea Level Rise Impact Presentation - Samantha Danchuk, PH.D., P.E. Assistant Director, Environmental Protection and Growth Management Department

Samantha Danchuk, Broward County Environmental Protection and Growth Management, reviewed the information provided in the agenda packet.

In response to Commissioner Grace, Dr. Danchuk noted the FEMA flood zone maps do not include sea level rise. There is a project coming forward within the next year to do this, which will provide another version of regional maps that show the areas that would be additionally vulnerable due to sea level rise. Commissioner Grace asked for a summary of the recent workshop held in Dania Beach.

Vice-Mayor Jones said of particular interest at the workshop was the issue of dealing with storms and how Dania Beach had already invested in low lying areas. He noted we have to do some serious things with the beach as we are revitalizing it.

Commissioner Brandimarte said the presentation confirmed we need a disaster fund for the City as she is concerned with displaced residents.

City Attorney Ansbro asked about the status of the sand bypass project. Dr. Danchuk responded they are in permitting and explained how the sand trap would work to recover eroding sand. She noted she would provide follow up to Mayor Salvino's questions regarding how far the sand would flow down the beach, how long it would take to reach the Pier, and the amount of added beach width.

Vice-Mayor Jones asked about the status of Segment 3. Dr. Danchuk said she would follow-up with information, but felt it would occur within the next two years, following the sand bypass project.

City Manager Baldwin noted that a resolution adopting the Unified Sea Level Rise projection would be on the next Commission agenda.

6. Public Safety Reports

Captain Daniel Marks, BSO Chief of Police, reported on recent criminal activity in Dania Beach, and introduced Sergeant Jimmy Moulin, who is new to the City. He noted the annual BSO awards ceremony will be held next week and there will be several Dania Beach recipients. He added he spoke with City Manager Baldwin, and they are going to put together an introduction to terrorism training program, including target hardening for businesses, homeowners associations, and City facilities.
