

For Immediate Release

To: City of Dania Beach Homeowners & Residents
From: Broward County Aviation Department & the Noise Mitigation Team
Date: April 25, 2016
RE: Noise Mitigation Website: www.flnoisemitigation.com
Subject: Noise Mitigation Website Enhancements and Updates

The Broward County Aviation Department with the Noise Mitigation Team has reviewed the requests from City of Dania Beach residents, City Officials, and the Federal Aviation Administration (FAA) to provide current and updated information about the progress of the sound mitigation program. The results have produced enhancements to the Noise Mitigation Website (www.flnoisemitigation.com) with upgrades to keep you better informed of the progress related to the Sound Mitigation Program which includes the Residential Sound Insulation, Sales Assistance/Conveyance and Release and Mobile Home Programs.

- ***“Is My Property Eligible?”*** Residents can find out if their property is eligible for the program
- ***“Log in or Create Account”*** link on the home page will now provide information about the status of your home and we encourage City of Dania residents to use this feature.
- ***“Stay Informed with our Newsletter”*** link will add your e-mail address to the County’s database and the revised Monthly Newsletter will be e-mailed to you.
- ***“Frequently Asked Questions” (FAQ)*** is a link that may contain answers to your questions or provide direction on contact information particular to your request.

There are additional links that provide access to Noise Mitigation related documents. If you have any questions or require assistance, we encourage you to contact or visit the Sound Mitigation Office.
