Attachment: Chapter 106, 106.07(2)(a)1, and 106.07(2)(b)1

(c) Following the last day of qualifying for office, any unopposed candidate need only file a report within 90 days after the date such candidate became unopposed. Such report shall contain all previously unreported contributions and expenditures as required by this section and shall reflect disposition of funds as required by s. 106.141.

(d)1. When a special election is called to fill a vacancy in office, all political committees making contributions or expenditures to influence the results of such special election or the preceding special primary election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to s. 100.111.

2. When an election is called for an issue to appear on the ballot at a time when no candidates are scheduled to appear on the ballot, all political committees making contributions or expenditures in support of or in opposition to such issue shall file reports on the 18th and 4th days before such election.

(e) The filing officer shall provide each candidate with a schedule designating the beginning and end of reporting periods as well as the corresponding designated due dates.

(2)(a)1. All reports required of a candidate by this section shall be filed with the officer before whom the candidate is required by law to qualify. All candidates who file with the Department of State shall file their reports pursuant to s. 106.0705. Except as provided in s. 106.0705, reports shall be filed not later than 5 p.m. of the day designated; however, any report postmarked by the United States Postal Service no later than midnight of the day designated is deemed to have been filed in a timely manner. Any report received by the filing officer within 5 days after the designated due date that was delivered by the United States Postal Service is deemed timely filed unless it has a postmark that indicates that the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due, suffices as proof of mailing in a timely manner. Reports other than daily reports must contain information on all previously unreported contributions received and expenditures made as of the preceding Friday, except that the report filed on the Friday immediately preceding the election must contain information on all previously unreported contributions received and expenditures made as of the day preceding that designated due date; daily reports must contain information on all previously unreported contributions received as of the preceding day. All such reports are open to public inspection.

2. This subsection does not prohibit the governing body of a political subdivision, by ordinance or resolution, from imposing upon its own officers and candidates electronic filing requirements not in conflict with s. 106.0705. Expenditure of public funds for such purpose is deemed to be for a valid public purpose.

(b)1. Any report that is deemed to be incomplete by the officer with whom the candidate qualifies must be accepted on a conditional basis. The campaign

treasurer shall be notified by certified mail or by another method using a common carrier that provides a proof of delivery of the notice as to why the report is incomplete and within 7 days after receipt of such notice must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

2. Notice is deemed complete upon proof of delivery of a written notice to the mailing or street address of the campaign treasurer or registered agent of record with the filing officer.

(3) Reports required of a political committee shall be filed with the agency or officer before whom such committee registers pursuant to s. 106.03(3) and shall be subject to the same filing conditions as established for candidates' reports. Incomplete reports by political committees shall be treated in the manner provided for incomplete reports by candidates in subsection (2).

(4)(a) Except for daily reports, to which only the contributions provisions below apply, and except as provided in paragraph (b), each report required by this section must contain:

1. The full name, address, and occupation, if any, of each person who has made one or more contributions to or for such committee or candidate within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less or is from a relative, as defined in s. 112.312, provided that the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which the reporting committee or the candidate received, or to which the reporting committee or candidate made, any transfer of funds, together with the amounts and dates of all transfers.

3. Each loan for campaign purposes to or from any person or political committee within the reporting period, together with the full names, addresses, and occupations, and principal places of business, if any, of the lender and endorsers, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1. through 3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such committee or candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the committee or candidate within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. However, expenditures made from the petty cash fund provided by s. 106.12 need not be reported individually.
